Academic Select Agreement Expiration Date <i>Reseller or Microsoft affiliate to complete</i>		Previous enrollment end date <i>Reseller to complete</i>	
Enrollment number <i>Microsoft affiliate to complete</i>			

This Microsoft Academic Select Enrollment is entered into between the following entities signing, as of the effective date identified below.

**Definitions.** When used in this enrollment, “you” refers to the entity that signs this enrollment with us and “we” or “us” refers to the Microsoft entity that signs this enrollment. All other definitions in the Microsoft Academic Select Agreement identified above apply here.

**Effective date.** If you are renewing Software Assurance coverage (or similar upgrade protection) from one or more previous Microsoft agreements, then the effective date of this enrollment will be the day after the earliest expiration of such coverage. Otherwise the effective date will be the date this enrollment is signed by us. Where a previous Microsoft agreement is being used, your reseller will require the agreement number and agreement end date to complete the applicable boxes above.

**Term.** This enrollment will expire on the date on which the Microsoft Academic Select Agreement expires, unless it is terminated earlier as provided for in that Agreement.

**Representations and warranties.** By signing this enrollment, the parties agree to be bound by the terms of this enrollment, and you represent and warrant that: (i) you have read and understood the Microsoft Academic Select Agreement, including any amendments, and the product use rights, and agree to be bound by those; (ii) you are an eligible education customer and are either the entity that signed the Microsoft Academic Select Agreement or its affiliate; (iii) during the initial term of this enrollment you expect to purchase licenses equal to at least 750 points; and (iv) the information that you provide on each of the attached forms is accurate.

**Advisor fee.** We, or our affiliates, sometimes pay fees to software advisors, or other third parties authorized by us or one of our affiliates. The fees are in exchange for their advisory services. The payment of fees depends upon several factors, including the type of agreement under which you order licenses, which licenses you order, and whether you choose to use an advisor. The fee amounts increase with the size of the orders you place under this enrollment.

**Non-exclusivity.** This enrollment is non-exclusive. Nothing contained in it requires you to license, use or promote Microsoft software or services exclusively. You may, if you choose, enter into agreements with other parties to license, use or promote non-Microsoft software or services.

This enrollment consists of (1) this cover page, (2) the contact information page(s), (3) the Software Assurance Election form, and (4) the Reseller Information Form.
